

Disclaimer: The statements on this web page have not been evaluated by the Food and Drug Administration. The materials herein as well as intervention suggestions are not intended to diagnose, treat, cure or prevent any disease. If you are pregnant, nursing, taking medication, or have a medical condition, consult your health care provider before using any product.

The entire contents of this website are based upon the opinions of Dr. Mario Brus, unless otherwise noted. Individual articles are based upon the opinions of the respective author, who retains copyright as marked. The information on this website is not intended to replace a one-on-one relationship with a qualified health care professional and is not intended as medical advice. It is intended as a sharing of knowledge and information from the research and experience of Dr. Brus and his patient community. Dr. Brus encourages you to make your own health care decisions based upon your research and in partnership with a qualified health care professional.

While we welcome honest feedback, customer reviews and customer opinions are the sole responsibility of the said customer, and Dr. Brus, gutwellness.org and any of his or the company's affiliates are not liable for customer review comments. We reserve the right to remove any and all customer reviews that do not meet compliance standards, contain malicious content, or contain any other content that is deemed offensive or inappropriate.

Given the growing nature of medicine, you acknowledge that Gut Wellness.org, LLC is an information source, that such information may be flawed or limited, and as such you agree not to rely upon such information as the sole or substantial source of medical decision making for you or your children. You expressly waive any claims against, and hold harmless, Gut Wellness, LLC and Dr. Mario Brus where such claims arise out of information provided by this web page or the linked "It's All In Your Gut" Facebook page.
